

Oficiálne vyhlásenie o autorstve - Geolimit

I, Ľuboš Mesároš, hereby officially declare that I am the original author of the Geolimit concept.

This project was published under my GitHub account:

<https://github.com/lubosmesaros-design/Geolimit>

Initial publication date: March 30, 2025

This version was signed with the following SHA256 hash, serving as a proof of authenticity:

df5908ad73e19a651517c62ed90930203a407b0bd4a550e71bfad226d5e70713

This digital signature serves as undeniable proof of my authorship and the existence of the original version of the project as of the date of publication.

All future modifications, implementations, or derivatives stem from this original version and authorship.

Signed: Ľuboš Mesároš

Date: 30.03.2025
